9 NIGHT ESCORTED VOYAGE FEATURING CROCHET WORKSHOPS ON CELEBRITY SOLSTICE

Dating back to the 1820s, crochet is enjoying a revival as a simple activity that calms the nerves and results in exquisite designs. What better place to learn or craft this art form than on a relaxing and luxurious South Pacific cruise?

Hosted by Cruise Express and led by world leading crochet teachers, you'll select one of five designs to make and receive a complete welcome crochet kit, worth over \$250, packed with everything you need to get started, including yarn, hooks, patterns and more – even a Cruise Express 'Duck' mascot in need of a tiny outfit you can make for him.

Gather at fun workshops, morning teas and social get-togethers to learn skills and work on your designs. We'll host a cocktail function where awards will be presented and everyone's efforts acknowledged. You'll also receive yarn to crochet small squares for special Dream Weaver blankets that will be auctioned during the cruise to raise money for Learning Links, a charity that assists children with learning problems. We hope you can join us!

Jenny King – Crochet Teacher

Leading our onboard craft sessions will be popular Australian crochet expert, designer and blogger, Jenny King, who has written 20 crochet pattern books and is in hot demand as a teacher of crochet around the world. Jenny fell in love with crochet at the tender age of eight and has since devoted her life to sharing her love of this increasingly popular craft. Jenny's calendar of workshops around Australia and overseas is a full one so we are indeed fortunate she can join us.

Lynda Tomkins – Crochet Teacher

Lynda learned to crochet from her mother when she was a youngster growing up in Central Queensland. It remained a hobby for her as she pursued a career in accounting until 2014 when she decided a change was needed and crocheting and yarn became her focus. She bought Crochet Australia and has been teaching crochet and running crochet workshops ever since. Lynda has completed her Master of Advanced Crochet Stitches and Techniques with the Crochet Guild of America and likes crocheting garments and accessories.

Moira Mevissen – Cruise Express Host

Moira has worked in partnership with Cruise Express for over 10 years. As a frequent cruiser, Moira loves life at sea but her passion for cruising was matched in 2016 by her discovery of crochet. "I just get lost in the magic of it and I can't wait to see others enjoy crochet's many charms" Moira says. Moira

is a hospitality professional and will ensure everyone is looked after and enjoys themselves onboard.
