10 NIGHT ESCORTED VOYAGE FEATURING CROCHET WORKSHOPS ON CELEBRITY SOLSTICE

We know cruising calms the nerves but so does crochet so this cruise in October 2018 will weave a perfect match. Hosted by Cruise Express with workshops led by our world leading crochet teacher, you'll sail to the Great Barrier Reef aboard Australia's finest cruise ship, the stylish Celebrity Solstice. Join onboard workshops to make one of a selection of beautiful designs to take home with you. You will be provided with a free Welcome Kit worth over \$250 containing yarn, hooks, needles, cutters, patterns and more. Our light-filled venue with floor to ceiling windows provides the perfect workshop location.

We will work together to make Dream Weaver blankets which will be auctioned at the end of the cruise, with the proceeds helping children with learning difficulties. Bring your friends or non-crochet partners who can join in various onboard activities! This exciting cruise promises to be a fun and enriching experience.

But be warned – once you combine cruising with crocheting, you'll be 'hooked' forever!

Lynda Tomkins – Crochet Teacher

Lynda learned to crochet from her mother when she was a youngster growing up in Central Queensland. It remained a hobby for her as she pursued a career in accounting until 2014 when she decided a change was needed and crocheting and yarn became her focus. She bought Crochet Australia and has been teaching crochet and running crochet workshops ever since. Lynda has completed her Master of Advanced Crochet Stitches and Techniques with the Crochet Guild of America and likes crocheting garments and accessories.

Moira Mevissen – Cruise Express Host

As a frequent cruiser, Moira loves life at sea but her passion for cruising was matched in 2016 by her discovery of crochet. "I just get lost in the magic of it and I can't wait to see others enjoy crochet's many charms" Moira says. A hospitality professional, Moira will ensure everyone is looked after and enjoys

themselves onboard.

Andrew Mevissen – Cruise Express Host

Easy to spot on the ship, with a height of 6ft 5in – Andrew began coordinating Cruise Express' media and public relations activities in 2007. An experienced journalist and PR professional. Andrew has worked in the cruise industry since 1996 but cruising has been his passion for longer than that, since his parents took him on a family cruise to the South Pacific in 1979 aboard the old 'Fairstar'. Married to Moira with three adult children, Andrew also enjoys bushwalking (he has written two hiking books) and fitness activities.
