7 NIGHT HERITAGE RAIL AND SAIL JOURNEY FEATURING THE 621/721 RAIL MOTOR

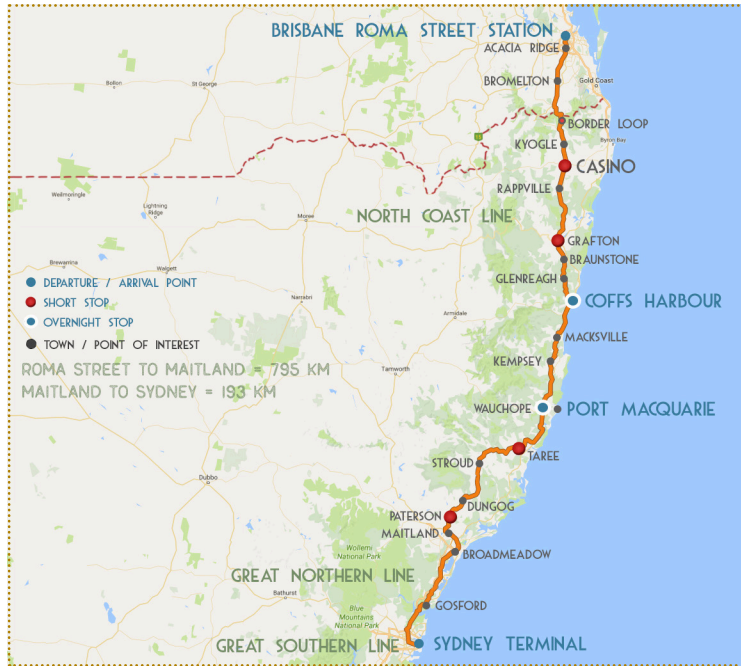

From Roma Street Station in Brisbane - this is your opportunity to board the 1960s rail motor 621/721 for a leisurely three-day journey south to Sydney. A rare survivor of the golden age of travel you'll soon discover why our passengers love her and come back time and again.

Featuring windows that open, you will be able to sit back and relax as the ever changing countryside rolls by - with friendly staff to look after you throughout your journey. Enjoy time in Coffs Harbour where we will be welcomed by the local Gumbaynggirr Nation and then on to stay the night in Port Macquarie on the riverfront with time to explore or visit one of the spectacular beaches.

The fun continues in Sydney with a morning cruise aboard the tall ship James Craig. There's time to explore the harbour city on your own too. Your three-night cruise back to Brisbane via Newcastle aboard the lovely Sea Princess is a fitting end to your escapade south. All you need to do is relax, have fun and make friends.
