Emerald**DISCOVERY**

Synonymous with outstanding quality, our Emerald**DISCOVERY** program ensures that you experience the very best of your time in Vietnam, Cambodia and Laos, and along the majestic Mekong River, with hand-picked itineraries featuring included excursions on every voyage.

Our carefully curated Emerald**PLUS** experiences immerse you in the local culture with guided tours, memorable personal interactions with the locals, and unique events.

You'll also have the opportunity to select from our discretionary Discover**MORE** excursions, designed to truly inspire. On our Emerald Harmony cruise, personalise your days onshore — you could be exploring a near-mythical temple complex one day and then feasting on authentic Asian delicacies the next.

Included Excursions

All our marvellous itineraries include an array of curated trips hand-selected by our journey planners. Conducted in small groups and at no extra cost, expect wonderfully insightful and immersive excursions under the guidance of a local expert, almost daily. Sail through Halong Bay on the fully refurbished Au Co luxury cruise ship, observe the sun rising over World Heritage-listed Angkor Wat, or witness saffron-robed monks receiving alms at dawn on the streets of Luang Prabang.

Emerald**PLUS**

Our hand-picked Emerald**PLUS** excursions immerse you in the authentic life and culture of a destination, at no additional cost. Enjoy an exclusive local cultural performance, receive a traditional blessing in a Buddhist temple, or discover first-hand how local organisations make a positive difference to disadvantaged communities.

Discover**MORE**

Delve even further into the local culture with our extra-special Discover**MORE** excursions. Available at an additional cost, these authentic optional tours offer once-in-a-lifetime experiences and are not to be missed^. Relish sampling street food with a local host, learning about the Asian silk industry, or joining an authoritative guided tour of a protected bird reserve — see our website or pages 66-67, for full details.
